

Brimar Hybrid-T8 Linear LED

Features:

- Plug & Play OR Direct Wire Installation
- Electronic Ballast compatible
- Direct Voltage compatible
100VAC~277VAC
- Dual Mode UL Standard Internal Driver
- >50% Energy Savings
- Polycarbonate plastic tube with Aluminum base for heat dissipation
- Up to 1,902 Lumens @12 watts
- 4 foot length with G13 (Bi-Pin end)

Certifications:

Specifications:

Model:	LED-T8-4F Brimar Hybrid
Wattage:	12 Watts
Input Voltage:	Built in universal voltage driver 100VAC~277VAC
Color Temp:	5,000k
Initial Lumens:	1902.71 lm
Viewing Angle:	120 Degrees
Efficacy:	>118 lm/W
Life Hours:	>50,000 Hrs
CRI:	>80
Dimensions:	1" Diameter X 48" Length, Bi-Pin G-13
Replaces:	32w Fluorescent T8 Tubes
